

## CONSTANT YIELD TAX RATE 2024

This is a summary of the constant yield tax rate (CYTR) certification sheets that were mailed to local governments on Wednesday, February 14, 2024. The constant yield tax rate is the tax rate that a jurisdiction would have to impose in order to obtain the same amount of property tax revenue in fiscal year 2025 as it received in fiscal year 2024. If a jurisdiction plans to set a tax rate higher than the current fiscal year's tax rate, the jurisdiction must advertise the tax increase and hold a public hearing before setting the tax rate for fiscal 2025. In some parts of some counties, there may be additional taxes levied for special purposes. These tax levies are not included in these tax rates.
