INFORMATION

The State of Maryland provides a credit for the real property tax bill for homeowners of all ages who qualify on the basis of gross household income. For more information, please visit our website at <https://dat.maryland.gov/Pages/Tax-Credit-Programs.aspx>

Eligibility

A new application must be filed every year if applicant wishes to be considered for a tax credit. Actual taxes eligible for this credit do not include fixed metropolitan charges which may appear on the tax bill for such services as sewer, water or improvement repayments, and do not include taxes for excess land acreage, other buildings or portions of buildings used for business purposes. Property owners with large tracts of land will have the credit limited to the amount of taxes on land necessary for the residential dwelling and does not include excess acreage. The credit shall be limited to the portion of the dwelling that is used only for the applicant's residential purposes.

An application may be subjected to an audit at any time and applicant may be requested to submit additional verification or other evidence of income in order to substantiate the application for the property tax credit.

Requirements

Applicant(s) must satisfy four (4) legal requirements before eligibility can be considered:

1. The dwelling for which the application is being made, must be the applicant's principal residence. Applicant resides or expects to reside for more than six (6) months of the tax year, including July 1, 2020, unless unable to do so for reasons of illness, need of special care or the property was recently purchased. An individual who permits, pursuant to a court order or separation agreement, a spouse, former spouse or children of that person's family, to reside in a dwelling in which the individual has a legal interest, has met the residency requirement. A homeowner may claim credit for only one principal residence.
2. Applicant must have legal interest in the property. Land installment sales, contract purchases, holders of a life estate and beneficiaries of certain trusts have sufficient legal interest.
3. Net worth, excluding the value of the property for which the credit application is being made and the cash value of IRAs or qualified retirement savings plans, must not exceed \$200,000, as of December 31, 2019.
4. Combined gross household income cannot exceed \$60,000.

If all four requirements are met, the amount of tax credit due, if any, will be calculated on the basis of the gross household income for calendar year 2019.

Limitations

The lesser of \$300,000 of the total assessed value **minus any Homestead credit**, shall be used for calculating taxes eligible for credit.

Important Filing Deadlines

The deadline for filing an application is October 1, 2020. However, if applicant submits a properly completed application before May 1, 2020, and that application is not subject to an audit by the department, applicant will receive any credit due on the July 1, 2020 tax bill. A properly completed application means that all questions are answered, the form is signed, copies of the entire federal income tax return, schedules and forms, necessary Social Security form (SSA-1099), Railroad Retirement Verification or Rate Letter are all included and applicant has provided responses to any subsequent inquiries made by the department in a reasonable time frame. If the application is filed after May 1, 2020, applicant should not expect to receive any tax credit on the July 1, 2020 tax bill, and is advised to pay the tax bill to receive the discount for early payment.

How Tax Credits are Granted

By submitting this application, the applicant will receive one of the following:

- Credit directly on the July property tax bill if the application is completed properly and is not subjected to audit and is received before May 1, 2020; or
- A refund if the bill has already been paid; or
- Written denial stating the reason for ineligibility.

County Supplemental Tax Credits

Supplemental tax credits are available to eligible homeowners in Anne Arundel Co., Baltimore City, Baltimore Co., Calvert Co., Caroline Co., Carroll Co., Charles Co., Frederick Co., Garrett Co., Harford Co., Howard Co., Kent Co., Montgomery Co., and Washington Co. The supplemental tax credits are administered by the State of Maryland Homeowners' Tax Credit Program. To apply for the state tax credit and/or county supplemental tax credit, applicants are only required to submit this application form (Form HTC-1). Some applicants may be eligible for a supplemental tax credit even though they may be ineligible for a State credit based on income.
