**Explanation of Service Fees**

Regular Service Fee: It may take 4 - 6 weeks to receive your confirmation.

Expedited Service Fees: Requests will be responded to within 7-10 business days.

Online Filings: Documents filed via Maryland Business Express are considered expedited and will be processed within 7-10 business days. This electronic service includes a 3% service/convenience fee for payments processed through the Maryland Business Express portal.

Rejected Corporate Charter Documents: Please note that under Maryland law a filer has sixty (60) days from the date of our initial rejection of a filing to correct any rejected document and resubmit it or all filing fees are retained by the Department for reviewing the first filing. If a document is resubmitted after the sixtieth day, another separate filing fee must be paid with the second submission. If a filer chooses not to resubmit the document for filing, a refund will not be provided. The resubmission of a rejected expedited filing will be reviewed within 7-10 business days; a non-expedited filing within 4-6 weeks.
